Window Board: Dallas-Fort Worth

As of Nov 12, 2026

At 33 of 105 Dallas-Fort Worth companies with an open window, the window is estimated to close by Dec 1. A plan adopted after that likely cannot sell until about May 2027.

Windows closing soon

33 of 164

companies are estimated to close their trading window by Dec 1, 2026.

New 10b5-1 plans clearing cooling-off

Already cleared	11
By Nov 30, 2026	10
In Dec 2026	4
After Dec 31, 2026	fewer than 3

Based on 25 new plans adopted in the last 2 reported quarters.

Backtest: did past plans land inside our window?

Our window	80.9%
Chance	39.1%

80.9% of 1,323 real plan adoptions fell inside the window we predicted. Dallas-Fort Worth alone: 88% of 25.

Ticker	Closes (est.)	Last day to adopt	First sale if adopted today	Next opens	Hedging	Pledging
Estimated; the company can close the window; insiders need pre-clearance. Dates come from each company's filed policy and its earnings dates.

Estimated; the company can close the window; insiders need pre-clearance.

Cooling-off rule: Officers and directors must wait 90 days after they adopt a plan, or 2 business days after the 10-Q or 10-K for that quarter is filed if that is later, but never more than 120 days.

Public SEC filings only. Not advice. Every number and date links to its filing or rule.
